# CHAIRMAN'S MESSAGE

Whilst trading in the Club was slow in the first two weeks in December it certainly picked up during the last two weeks. I sincerely thank members for their support of the Club during that latter period as it resulted in the Club showing good figures for the December trading period.

All the functions and the various entertainment areas in the Club were extremely well patronised, which meant a very busy and sometimes hectic time for the Executive and staff who coped admirably.

During the latter part of last year the Club was privileged to be associated with the raising of funds towards the Peter Haylen Trust, and the raffle of quality wines was a huge success and I thank members for their strong support. As you may know the Trust has been established to assist Peter to finish his course in Mechanical Engineering at Sydney University and to have available to him the necessary equipment to aid him to live an independent and as normal a life under the circumstances. Peter was the tragic victim of a collapsed rugby scrum during a Sydney University and St George match and he is paralysed from the elbows down and will spend the rest of his life in a wheelchair.

I was privileged to be asked to draw the raffle in the Committee Room in the presence of Tattersall's member, His Honour Judge John C. McGuire, who is on the Committee of Peter's Trust. On behalf of the Committee of the Club I would like to thank the staff of Messrs Peat Marwick Mitchell & Co for their assistance in looking after the financial side of the raffle and the fund. John McGuire thanked the Club for its valuable

assistance in making the wine raffle possible and for the funds raised.

On Monday, December 13 I was present at the Australian Jockey Club's School for Apprentice Jockeys Prize Night. Tattersall's Club donated a saddle which is presented to a most promising apprentice jockey, which was won by Darren Beadman, who is the highly-regarded apprentice to Theo Green. We take this opportunity to congratulate Dux of the School this year, Steven Jeffries. It is interesting to note that the Dux of the School in 1939 was Jack Thompson, 1948 Ray Selkrig, 1950 Brian Killian, now an AJC Steward, 1963 Neville Voigt, 1971 Kevin Moses and 1976 Greg Allendorf, to name a few. I was accompanied to this enjoyable function by Committeeman and member of the Race Sub-Committee, Mr Tony McSweeney.

No doubt we are all looking forward to the challenges of 1983 which is certain, in the first half at least, to be a most difficult one for registered clubs in New South Wales. Fortunately Tattersall's Club is well placed financially at present to withstand the early effects on trading of the introduction of the random breath tests. The Committee as usual will closely monitor the trading results in the various departments and take necessary steps to correct areas that become a problem to us, even if some measures are taken on a short-term basis.

With the obvious difficulties the country will face I do trust that 1983 will be a year of good health and happiness to all our members and their families.

# NEW CHEF APPOINTED!

New Tattersall's chef Hans Berger is an excellent addition to the Club. Hans' refinements and expertise is noticed in his very short term. His overall control in all food presentation is of top order.

Hans' wide experience includes service at the Savoy Plaza Hotel, Restaurant 500 at Peppermint Grove, Perth, executive chef at the Sheraton Perth — catering for three restaurants, room service for 400 rooms and functions for up to 800 people. Turnover at this venue was around \$250,000 a month.

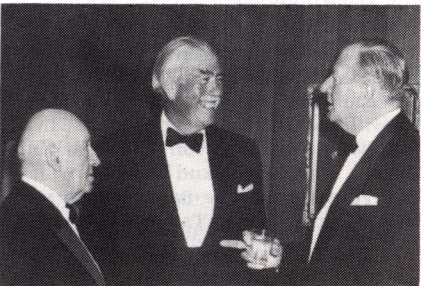

He moved to Sydney as executive chef for Travelodge.

So Hans has all the qualities to lift and maintain a fine food line for the Tattersall's Club. He is happily married with a young son. Possesses a very pleasant demeanour; keen and a willingness to please should be a great asset.

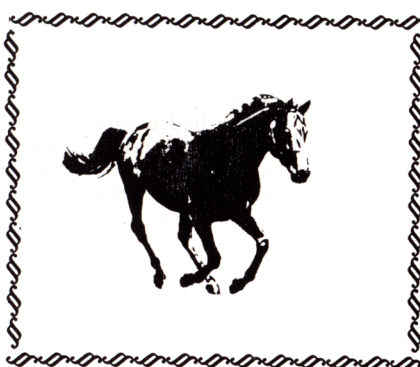

*Hans, we wish you well and I'm sure Club support by members who care will come from all sections. Ed.*

Tattersall's member and AJC committeeman Jack Ingham (right) is congratulated by fellow AJC committeeman Jim Comans. Jack's Lost Valley won the Tattersall's Cup. Club secretary Norman Smith (in background), enjoys Jim's happy banter. See report page 6 — photos pages 10-11.

## GREAT CRICKET CROWDS!

Australia has "urned" the Ashes. The nail-biting Fourth Test had the cricket lovers on the edge of their seats. We've seen better sides but the contest was even.

I liked commentator Tony Greig's remarks when he gave his reaction to the Victorian Test barrackers: "When the Melbourne crowds start to chant — the stumps are two feet taller — the fieldsmen's arms grow much longer — the bowler is yards faster!"

★ ★ ★

## CHAIN GANG!

Member Rex Jackson, Minister for Corrective Services, has gained a new portfolio. Minister of Roads is added to his job. A wag in the Club posed the question — "Will this mean the re-introduction of chain gangs on the roads?"

## GOLDEN GOLF

I have always been aware of the fanatical interest in golf in Japan. It is really amazing to see the cash involved.

Golf courses took \$2,603 million in green fees and other playing charges in 1980, when Japanese golfers played 60 million individual games. Last year, golfers bought about \$600 million worth of equipment and, according to industry spokesman Masahiro Otsuka, will top that figure by an expected \$80 million this year, despite the recession.

## WELLINGTON "BOOT" RACE DAY, MARCH 21, 1983

I'm looking forward to climbing aboard the "Mark Foys' Travel" charter to Wellington, NSW for the annual "Boot" classic. Tattersall's members and friends are invited. It is all arranged: Air (Fokker Friendship) to Dubbo, visit and transport to stud and races, from airport and return, morning tea, lunch and a race book with all the winners (well, they are in the book anyhow!). Back to Mascot in the day. Read the details on page 7 and join the fun! . . . it's at a reasonable cost, too.

## WINING, DINING AND CLUB NEWS

Robbie and Gai Waterhouse are all smiles at the Tattersall's meeting at Randwick.

Member Bob and Wendy Cummins dined with Mr and Mrs John Stanos and Brian Stanos to celebrate their daughter Lindy's 21st birthday. Congratulations to Lindy may happiness and good health follow her through life.

John and Margaret Barker with their daughter Anne and brother Jamie gathered in family to celebrate the 14th birthday of their other son Anthony. It was a night to remember for Master Anthony — his birthday night at Tattersall's.

A happy night for the Sutherlands! It was a very pleasant Tattersall's Club 40th wedding anniversary party for Grace and Alex Sutherland. Included were friends Dr and Mrs Carroll, Mr and Mrs Wilson and Mr and Mrs Baldwin.

There was good family fun at a dinner party arranged by member Les Hams for wife Margaret and children Belinda and Ben. Grandmother Agnes Medling enjoyed a fine dinner. Les was loud in praise of the splendid meal.

James and June Patterson were pleased to be in party for son Mark's 16th birthday. Cranbrook school friends Rodney Ireland, John Ryan and James sister Cassandra was so happy to say happy birthday at Tattersall's.

## Tattersall's HAIRDRESSER Back!

**Welcome Back to "Carl"**  
— he's waiting for you on the First Floor.

Member Ron Robson, one of the really fine Club supporters, was pleased to arrange a party for Sarena Robson's 4th birthday. Grand-daughter of Mrs Joan and Ron Robson. The party included Lesley and John Robson (member) and their children David and Nicole.

A most enjoyable evening was had by all who thought the food with birthday cake was excellent. They were loud in praise for the very attentive staff of Tattersall's.

Royal Gordon Tennis Club staged their annual dinner at Tattersall's. Terry and Suzanne Carver hosted a party of sixteen players and stayers in Tattersall's dining room. Guests included Dr Stuart Boland and his wife Lyn, Grant and Annette Patterson, Dr Michael Burns and his wife Helen, Bill and Louise Neville and Peter and Rosemary Woods. Other guests were Club members Pat McGrath and his wife Jocelyn and well-known Sydney barrister Anthony Whealy and his wife Anne. Crooner Pat McGrath capped off the evening by joining the band with his fine rendition of Sinatra's favourite "Life's Been Good to Me".

It's a great Club idea to celebrate at Tattersall's.

John Wadling arranged a Tattersall's party to celebrate the 14th birthday of son Rodney. It was Rodney's request that he celebrate his birthday in the Club. His first visit . . . his mother had a very strong affection for the Club and Andy — "mine host" in the dining room. Through the years Andy has seen many youngsters grow up and become Club members.

Allan and Laurel Howarth arranged a very pleasant group of friends to celebrate Christmas with friends — Reverend Brother Stanislaus Carmody, Mr and Mrs Bill Cutbush, Mr and Mrs John Maher, Dr and Mrs Gilbert Lynch, Mr and Mrs Laurie Neill and Mrs Mary Kee.

No snow about at Thredbo but member Brian McFayden and Belinda Evans had fun at a dine-out night of Tattersall's Ski Club.

Solicitor Maurice McCarten, John McCosker, Alister McLennan and Peter Sandel were noticed in a very happy mood enjoying the fine food of Tattersall's on the fourth floor.

Congratulations to NSW Cricket Association secretary Bob Radford for his part in the great upsurge in cricket. Bob is a very dedicated type. He looked so relaxed in a friendly gathering at the Club. Colin Vaughan, Tony Paskins, Bob Sommerville, Kevin Anderson, Adrian Smith, Terry Beattie and Bob Frazer. They really enjoyed their "innings" at the Tattersall's table. The lunch party was the idea of the genial host Bob Frazer.

Herbert Lewin hosted a distinguished party. The occasion was Lady Lewin's birthday. Present were Sir Ronald and Lady Irish joining Kel Bailie, a great old member and Herbert to raise their glasses to toast Mrs Lewin's and son Dr Lewin's birthday. It was a joyous evening in delightful surroundings.

Mr and Mrs Peter Bradfield were happy at Tattersall's at a recent evening dinner to celebrate their daughter Lisa's 12th birthday. Present were Peter, Rosalinde and Sally Bradfield. A family party is a must for an enjoyable celebration.

Kandahar Ski Club has its two lodges in Perisher Valley and has no Sydney premises of its own. Member Mr Justice Bryce Ross-Jones arranged a dinner and meeting for members of Kandahar Ski Club. It was the annual general meeting held on the second floor. Some 28 attended the dinner including three engineers, two architects, a barrister, two judges, a dentist, a timber merchant and wives and children (over 18). Annual general meeting commenced at 8 pm with 45 members present and for supper at 10 pm of white wine, beer, orange juice and chicken sandwiches.

Mr Justice Bryce Ross-Jones commented: "I have staged this gathering for the last four years. The entire arrangement is a very satisfactory package arrangement for the Club. As well as Tattersall's — perhaps some package could be offered to all our Club members (ie members of Tattersall's), with other club affiliations. Consideration could be given to including parking arrangements in such deals in future".

*Thank you sir the point is well taken by Tattersall's Club. Ed.*

Party of 28 was organised by Terry Forrest to celebrate the Boys of St Ignatius College HSC certificate. Present were David Mayo and wife Margaret and son Andrew, Lyn Jones, wife Helen and son Simon, Dr Jim Macken, wife Marie and son John and Terry Forrest and wife Barbara with son Mark. (All members of Tattersall's Club).

Married in the morning Hein Van Der Hagen came to Tattersall's with his bride Annekb in the evening they celebrated and enjoyed the dinner-dance in the Club.

*Wear your green tie to Tattersall's!*

## ST. PATRICK'S NIGHT CONCERT-DINNER AT TATTERSALL'S MARCH 17, 1983

*The inimitable John McNally — an entertainer of renown, to thrill you with his lyrical Irish voice, will head the bill.*

**\$100 A DOUBLE — BOOK NOW FOR THIS GREAT EVENING.**

Club member Monty Lake, a kindly, good-humoured and well-known Sydney personality, enjoys his Club visits — it was pleasant to shake his hand and wish him well for 1983. Ed.

Geoff Reece, looking fighting fit was a member of a happy group enjoying the festive food. Round the table we noted Ted Burrey, Alan Clarkson, Peter Skelton and the "jester of the pack" — Bill Kelleher. Bill really does work at keeping fit and his regular visits to the third floor athletic section is a fine example to all members.

A group from the Commonwealth Trading Bank Stock Share Registry found time to enjoy a festive lunch at Tattersall's. Peter Brand was happily placed in the party and a good time was "registered" by all.

Solicitor and member Graham Brian Molloy is to be congratulated on his recent election to the Council of the Law Society of New South Wales. He is a very regular Club member and his many friends will be pleased with Brian's well-deserved honour.

Peter and Roslyn Stapleton were very happy in their family new year dinner with children Nicole (11), Fiona (8), Amy (6) (baby Karen was left at home). Also present were Mr Stapleton's mother Mrs Gwen Stapleton and good friend from Parkes Mr Jack Broderick joined the festivity.

Congratulations to member Michael George Barbouttis, MBE. He received his honour in the New Year's list. It is always very pleasing to see a deserving Tattersall's member receive the recognition for service.

Very pleasant people Ted and Jean Sykes entertained twin daughters Mrs Pamela Shaughnessy, on holiday from Nebraska, USA, and Mrs Jeanette Higgins, son David and husband Dr Ralph Higgins of Castlecrag. The party dining room Saturday dinner-dance was ideal for this gracious group to celebrate.

Frank Burns and Joy had much pleasure in welcoming new member Roy Denison. Included in the party were business associates Greg and Carmel Arnold plus Graham and Carolyn Metcalfe and Bob and Carol West.

A party celebrating the 80th birthday of Meg Corfield was held at Tattersall's in December. Party included family and friends Bob and Lila Barry, Flo McFarlane her sister and her grand-children Sarah, Alana, Aaron and Scott. The party was organised by Peter and Julie Corfield and they chose the delightful surroundings of Tattersall's.

Member Mr and Mrs Peter Bradfield gathered round twenty of their friends and celebrated the Christmas season in the fine party manner at Tattersall's. Many members arranged similar party functions and were so pleased with the attention of Tattersall's staff and the splendid meals.

Bill Dyer arranged a family party in celebration of son Paul's senior final recital of Bachelor of Music at the Conservatorium of Sydney. Paul has the ATCL and Dip Mus Cd. Also in the party was his sister Mary — music teacher from Dubbo. There was another reason for celebration as son Tony's successful law examination. Bill and Eileen Dyer have recently arrived home from the UK and Paris.

Member Roy Mayer found Tattersall's Club ideal to entertain visitors from Peoria, Illinois, USA. Present were Charles and Mary-Ellen Verkler, Carroll and Betty Mullen. They really did enjoy Roy's great hospitality.

Malcolm Beveridge had a cosy dinner party with wife Margaret and children Robert (five years) and Helen (six years). It was Margaret's birthday and a real family night at Tattersall's.

Geoff and Anne Coffey had son Sam and cousin Charmion Ingram join the birthday party for the Coffey's daughter Naomi's celebration evening. It was an ideal way to enjoy a happy family night at Tattersall's.

Phillip Ginsberg Snr hosted a birthday party for Shayne Clark — his daughter. Present were Mr and Mrs Peter Clark, Phil Ginsberg's eldest daughter visiting from Canada and Miss Kerrin Ginsberg joined the celebrations of Shayne's birthday. It was a very happy evening.

The name Westpac Banking Corporation may be comparatively new but there's been a long Tattersall's Club association with their Tattersall's branch (right under the Club). Pictured are top bank executives — past and present who have enjoyed membership. Left to right: Bob Collins, a most genial and pleasant man joined the branch 1981 — J. G. Coates (1955-1968), H. Selden (1968-75), R. W. Matthews (1976-81) and A. S. Jeffs (1975-76). The Westpac-Tattersall's connection is a very happy association.

Member Peter with Mrs Bradford chose Tattersall's for their Christmas dinner party. A happy twenty people were in fine spirits and enjoyed the happiness found in the beautiful fourth floor dining room.

Member Albert and Thalma Dickson celebrated their son William's 14th birthday in the real Tattersall's party way. Guests included his sisters Toni and Tracey. Good friends Bruce Robbins, Phillip Doran, Anthony Ghattas, Anthony Brenchley, Christopher Murphy, Matthew Sadler, Michael and Jeremy Walker plus cousins Michael and Mark Salem.

Quiet member Dr Brae and Mrs Mendelsohn were bursting with pride 'round the Christmas table. "Is there a doctor in the house?" — there certainly was. Brae and his three fine sons Kevin, Colin and Martyn are all medicos. A very close camaraderie exists — there's a wealth of talent in the group. May the sons continue the fine service to the community and walk in the steps of the father — in and out of practice.

Member Maurice Cummings with his charming wife entertained twelve guests in December in the Tattersall's dining room. Included was a past member Mr W. Kerlose with his lady.

Greg Mooney arranged a farewell Tattersall's dinner to Dr Gary Swift (on his way to his London Hospital appointment). Greg's sister Andrea, Tom Kennedy, Norm Bosh and Margaret Shannon were in the happy festive party, too.

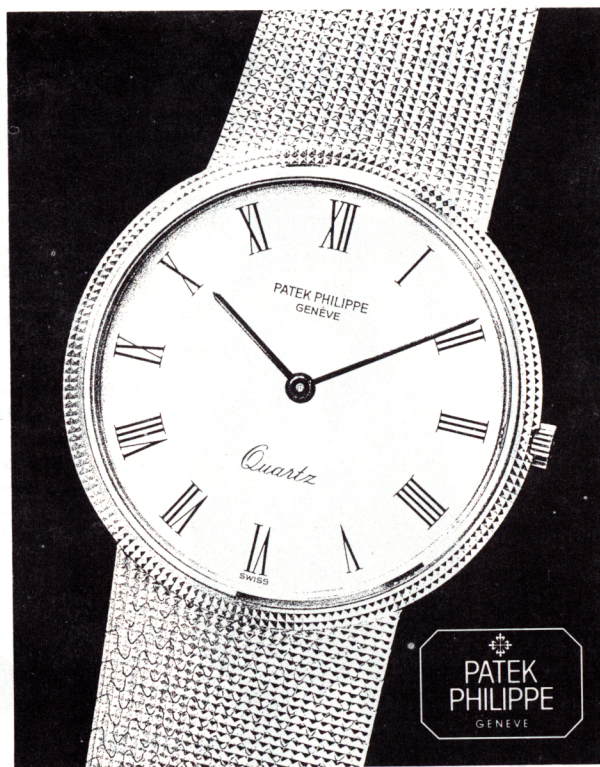

# The Patek Philippe Quartz: a pedigree of thirty years of research in electronics.

Patek Philippe has always been a leading innovator of Swiss watchmaking, creating such milestones as the first solid-state table clock and the first miniaturised quartz chronometer.

Advanced technology and a craftsman's approach to watchmaking have resulted in the Patek Philippe Quartz.

Patek Philippe watchmakers lavish on their quartz model as much time as on a mechanical watch: the several months needed for patiently hand finishing and testing result in unsurpassed accuracy and reliability.

The great accuracy of the electronic components mean little unless transmitted to the hands of the watch by a mechanism of the highest quality. In a Patek Philippe Quartz, four pieces out of

five are mechanical: pinions, gear, wheels & bridges, all entirely finished by hand.

With typical caution, Patek Philippe engineers guarantee the accuracy of their quartz watches to

within one minute a year, although they should in all probability vary by no more than 30 seconds a year.

Every Patek Philippe is meant to last for generations; to be passed on to the children or grandchildren. And that includes the Patek Philippe Quartz.

Patek Philippe watches are sold in Australia only by J. Farren-Price at their premises in St. James Arcade in Sydney. They cordially invite you to examine their selection and enjoy the unique satisfaction of handling the world's finest wrist watch.

It is designed to promote better Club understanding and foster co-operation.

# HANDBALL NOTES

by Peter Ashby

## NOEL VELLA WINS TATTERSALL'S HANDBALL PLATE!

The game was won handsomely in the 1982 Tattersall's Plate series.

The Tattersall's Plate is still the most sought-after trophy in the annual series of handball events. This prestigious tournament was introduced into the handball calendar, and is still strongly supported by Tattersall's committeeman and Handball Club president, Norman Rogers.

Many ruling State Singles Champions have competed in the Plate but have never succeeded in winning this coveted trophy.

Norman, always an exciting player in Club and Inter-club clashes in the past, competed in this series over a period of several years. He was responsible for introducing his three famous sporting sons, Greg, Ron and Neil to the handball game.

Ron held the record for the most number of wins in the Plate until a groin injury sustained whilst playing squash caused an untimely retirement from handball but he bounced back into serious competition this year and very nearly made the 1982 final a family affair.

Ven Hrouda, David Dobbin, Charles Robinson and Ken Glass all played above their normal games and whilst narrowly missing a shot in the quarter-finals performed admirably and revealed a maturity in tough singles competition far above their experience.

Some of the greats who fell by the wayside in the early rounds were Frank Coldwell and Reg Chappel of Bondi Club, Gary Stubbs and Bob Green of Clovelly and Bill Sellen of Tattersall's Club.

All games were played 31 up advantage play.

### **Ron Rogers vs. Noel Vella — Semi-Final:**

The experts considered this an even money take your pick affair and the judgment proved correct.

The game occupied one hour and although Noel led all the way Ron appeared most dangerous over the final furlong. The winning post, however, was too close.

Noel won the serve, took an early lead 3-2 and was never headed. He gradually went to a commanding difference of seven points but it seemed he had secured the services of lady luck for the night. She never deserted him.

It was an absorbing tussle with both contestants probing for faults, indulging in some of the most powerful hitting seen on Tattersall's courts ever, with irretrievably-angled shots returned with seeming ease and with mounting tension as Ron drew ever closer to his runaway opponent.

## Barrell Brothers John and Andrew Rolling Along in Good Style!

Racing in the pool has been of a very high standard with the Barrell brothers again to the fore. Both Andrew and John have been showing a rare turn of speed winning their respective events in grand style. Andrew would have been well ahead in both "Tony McSweeney's Silver Sharpe Trophy" and Alex Hillston's 80 yards handicaps had he not the important examinations to swat at causing him to miss several events. Still knowing Andrew's scholastic ability feel sure he will come through in fine style.

### The Season's Events are as follows:

### PRESENTATION EVENING:

The swimming club's annual presentation evening and dinner dance went over with a regular swing and was enjoyed by all.

The ladies and visitors were welcomed by Tattersall's club chairman Keith Moremon, who in a few well-chosen

remarks handed the various winners their hard-earned trophies with the aid of "Tony" McSweeney and Norm Rogers. It is always interesting watching our stars gyrating and cavorting not only in the pool but in gay spirits on the dance floor. Year after year it has been rather difficult to name the most elegant, however, the verdict was His Honour David Tonge, banker Bruce Upcroft the most energetic, whilst RCA executive Ray Walsh was no doubt the greatest stayer of all times.

Christmas and New Year will have come and gone by the time this report will appear, but it is never too late to wish all members and their families the best of health and luck for 1983, from the swimming club committee.

## HANDBALL (Cont. from page 16)

With Noel leading 28-26, a lead of two points which had been whittled from an advantage of seven points, Ron hit two consecutive tins to allow his adversary an easy passage to match point.

The final score was 31-26.

### Neil Rogers vs. Don Hudson (Bondi):

Neil required 35 minutes to end Don's hope of a final berth in a match that produced patches of sheer brilliance but was marred by irreplaceable lapses of stodgy play.

With the score level at 12-all it did appear that a close struggle was indicated but at this point Neil applied relentless pressure and he continually increased his margin to eventually take the semi-final comfortably 31-18.

### The Vella-Neil Rogers Final:

Hopes for a Tattersall's victory in the

Plate were maintained to the final point in a dogged no-holds barred struggle that needed 65 minutes before a decision was reached.

Vella served first and went straight into a lead which he maintained until Neil led on service at 13-12. Neil played some magnificently-angled drives that had Vella's game stretched to its limits for him to stay in touch.

Neil maintained an unrelenting pressure that did not allow the defending champion any respite and there were many occasions when he appeared to be losing his grip on the game.

Neil again led on service 18-17 but at the change he had surrendered the lead to be trailing 18-22.

With sustained control and determination he levelled the score at 25-25 and led 28-27.

It was a great finish to a great match and both players earned a well-deserved ovation when Noel Vella eventually gained the verdict 31-29.

### Thanks to Our Supporters:

The handball committee have pleasure in thanking our many supporters who have again donated trophies to the Club. During 1982 we received valued support from Bruce McHugh, Arthur Browning, Norman Rogers, Tony McSweeney, Bill Hannan, John Barnes and Sam Block.

# 1983 - TOP YEAR IN SNOOKER AND BILLIARDS

by Doug Jordan

As Syd Lane has relinquished in my favour the duty of writing these articles on billiards and snooker I would like to convey thanks to Syd on behalf of Tattersall's Club members for a job well done.

Recently the seven-member billiards and snooker sub-committee decided on a new format for the distribution of Calcutta receipts for the 1983 annual snooker tournament.

The successful buyers at the Calcutta of the final 16 players will receive the following prizes: 1st - 65 per cent of nett and 2nd - 35 per cent of nett. Remaining 14 - \$1,000 each. In abbreviation one buyer in ten will receive at least \$1,000.

We expect a record nomination and a record Calcutta attendance.

Since I have confined Col Pearce to three questions per day he is choosing them wisely.

Chairman of billiards and snooker sub-committee Peter Twigg is in devastating form with the cue; the "goose" has become a "swan".

The bookie cueists Digger Lobb and myself, previously dodged by opponents, now have a long queue seeking combat. We are obviously too liberal with our handicapping!

Doug McDonald has a brand new stance - beware 1983 opponents.

Eugene Piekarski, a previous Polish champion, is a big tip for the 1983 double-billiards and snooker.

John Hoyle is turning in some amazing track trials; I hope he is not a morning glory.

Bruce Cox is no Eddie Charlton but is a great asker of big starts.

In conclusion, may I offer encouragement to all snooker players who display their ability in our Club, that a more lenient handicap will be afforded them. 'Smokies' from other clubs please note.

## BOOKMAKER MARK READ DOESN'T MARK TIME!

Tattersall's Club bookmaker member Mark Read is a very active man on the rails or the "punt". The youthful-looking bookmaker-cum-punter stirred admiration and jealousy — as well as a hornets' nest — when he masterminded two successful betting coups in the space of five days. First there was the highly-publicised win by Getting Closer at Canterbury, followed by a smaller, but nonetheless lucrative, coup on Turn Me Loose at Randwick. It was a brilliantly-executed plunge. Mark John Read, at 31, has achieved remarkable success and wealth from his racing enthusiasm. Older men, deceived by his boyish face and eagerness, learn by experience that Read's ready smile and friendliness cloak a cold, clever, calculating brain. On the bookmaking scene you'll find him on the rails at the course. He's willing to offer credit facilities to all Club members.

*Next visit to the course step up and introduce yourself — you'll enjoy meeting an interesting personality. — Ed.*
